Anti-bullying Week - Odd Socks Day

This year for Anti-Bullying week 13th – 17th November we will be taking part in 'ODD SOCKS' day on Monday 13th November. We want to encourage everyone to put on their most colourful socks and celebrate the fact we are all different! No donations are required for this event, just dress your feet in some wonderful socks!

We cannot wait to see everyone and their fabulous socks!

Non Uniform Day 16th November

Bottle Tombola

All children are invited to come in to school in non uniform on Thursday 16th November in exchange for a bottle for the Merry Market bottle tombola. This can be anything in a sealed and unused bottle: wine, beer, juice, bubble bath, moisturiser; the list is endless - if it is in a bottle it counts!

Drop-off Location:

Please pass all bottles to your child's class teacher on Thursday 16th November.

Thank you for supporting us!

Non Uniform Day - Thursday 16th November

Children are invited to come in to school on Thursday 16th November in non uniform in exchange for a bottle for our Merry Market bottle tombola.

Aladdin Pantomime in School - Funded by the Friends of Quinta

The Friends of Quinta have kindly paid for the school to enjoy a little bit of festive spirit in-house. We have a professional stage company performing the pantomime Aladdin to the following year groups: Year 5 & 6 9am - 10am, Reception, Year 1, Year 2 - 10.15am - 11.15am, Year 3 & 4. -1.15pm - 2.15pm. Thank you to the Friends of Quinta for your kind gesture :)

A Plea for Parent Helpers

Christmas Lights at the School - As you will know, each year The Quinta Primary School adds a little Christmas sparkle to the estate with their festive lights. We were wondering if there are any parent helpers that would be willing to help us put these up during the week commencing 27th November please? If you are available and can help please either call the school office on 01260 221651 or email admin@thequinta.cheshire.sch.uk.

To set up the Merry The Quinta Wonderland - Again, please could we ask for you lovely parents to lend us a hand setting up the magical woodland and stalls within the school grounds on Friday 8th December. If you can spare us some time please let the school office on 01260 221651 or email admin@thequinta.cheshire.sch.uk.

PARKING

You will have noticed that we have recruited some helpers in raising the awareness of road safety. The Congleton Rotary have donated £1000 to school to enable us to purchase 6 of these safety buddies. The feedback has been tremendous.

Our only desire is for all drivers to be considerate about how they arrive, where they park and know that no driver intentionally sets out to harm a person on the road or pavement and yet **1200 children are injured within 500m of school on the roads every year in the UK.** Let us not have a 3rd at The Quinta!

Samaritans Purse Shoe Box Appeal

Your child should have come home recently with a leaflet regarding the shoebox appeal. We are working with New Life Church to donate shoeboxes filled with gifts. There are several options if you wish to participate:

- Making a box with a shoebox from home and donating it to school for New Life to collect.
- Sending items into school for us to donate to New Life to support them with making their own boxes if you do not wish to create a whole box.
- Asking school for a box to make a shoebox. Please bear in mind that this is only as a last resort as New Life have to pay out of their funds for these flat pack boxes. Alternatively, if you are not making a shoebox yourself but have shoeboxes going spare at home, these can be brought into school for us to give to families who might need one to make their shoebox.

Please could all donations/items/spare shoeboxes be brought into school

to Mrs Cope or Ms Stones.

Boxes will need to be returned between 13th and 20th November to be picked up by the New Life.

**AS YOU PRAYERFULLY
PACK YOUR SHOEBOX GIFT ...**

Please remember that your shoebox gift will be an expression of God's love to a child. In fact, it may be the only gift the child receives. So, plan to pack quality items that will last, and don't forget to make it FUN!

- 1 SHOEBOX:** Get a standard-size shoebox to pack for a boy or girl. Need shoeboxes? Great preprinted shoeboxes are available on our website.
- 2 SPECIAL ITEM:** Select a quality toy such as a doll, football with pump, or cuddly toy to bless a child.
- 3 OTHER GIFTS:** Pack full with other fun toys, personal care items, and school supplies.
- 4 PERSONALISE & PRAY:** Include a personal note and photo to delight the heart of a child. Most importantly, pray for the child who will receive your gift.
- 5 DONATE £5 PER BOX:** A donation of £5 per box is critical to cover shipping and other project costs. For easiest processing you can give online, or give by cheque or cash using the attached pre-paid envelope. If you use our Follow Your Box feature online, you can also discover the destination of your shoebox!
- 6 DROP OFF:** Take your shoebox gift to a local drop-off location during National Collection Week, 13-20 November. Visit our website to find one near you.

INCLUDE FUN GIFTS!

Fancy a Christmas night out with friends?

What Parents & Carers Need to Know about MINECRAFT

AGE RATING
7+

Minecraft is a beloved classic of modern gaming. First released in 2011, this open-ended 'sandbox' game of building and exploration still has over 140 million players who happily return to play it at least once every month. Minecraft has also been utilised for much more than just entertainment: it's sometimes used in schools to teach children coding, and it's also employed as a tool for computer-aided design, which is another valuable skill. Encouraging creativity and problem solving, Minecraft has plenty to offer gamers of all ages, and it's available on almost all video game platforms.

WHAT ARE THE RISKS?

PUBLIC SERVERS

Joining a public network (called a server) lets your child potentially interact with strangers through text chat. Some servers focus on building, while others are dedicated to role-playing – encouraging direct player interaction. Anyone can join public servers and connecting to one is relatively simple. Public server IP addresses (and therefore someone's location) are easy to find with search engines.

GRIEFING

Some people in Minecraft delight in purposefully damaging or destroying another player's creation. This is called 'griefing' and is a form of bullying: it intentionally spoils someone else's experience in the game by deleting hours of their work and forcing them to start from scratch. Many public servers treat griefing as a severe offence and frequently ban offenders.

ADDICTIVENESS

Minecraft's gameplay is relatively simple, and the outcome (when a child has built something new, for instance) can be extremely gratifying. This can make the game highly addictive. It's easy to lose track of time while playing Minecraft, causing committed young players to forget about other activities like homework or enjoying family time.

SCARY ELEMENTS

The visual design and gameplay of Minecraft is purposefully child friendly, so there's nothing too untoward in the game. However, some of the 'baddies' that can be encountered might prove a little too scary for very young players. In the game, certain enemies come out at night and are accompanied by audio – such as zombie moans and skeleton bone rattles – that may unnervingly young ones.

ADDITIONAL PURCHASES

After initially buying the game, players can make optional extra purchases for cosmetic items and other bonuses. Minecraft Realms is an optional online subscription (requiring regular payments) that lets users run a multiplayer server to play with their friends. Most games consoles also need an active subscription to enable online play – so online gaming can quickly become an expensive hobby.

Advice for Parents & Carers

RESEARCH CONTENT CREATORS

There are a lot of Minecraft content creators who release helpful videos about the game on YouTube and Twitch. Not all of these, however, are suitable for children. Watching these content creators' channels yourself first is a safe way to find appropriate Minecraft videos to share with your children. This also helps you learn more about the game itself, and how your child plays it.

CHOOSE THE RIGHT MODE

Selecting 'Creative' or 'Peaceful' mode allows children to play Minecraft without having to contend with enemies. It's also a great way for you to get used to playing the game with them, since the difficulty level is lower. This allows you to work together on a long-term project, creating something special without the threat of menacing zombies or creepers damaging your build.

HOST A PRIVATE SERVER

The easiest way to find a safe server for your child to play on is to make one yourself. Hosting a server prevents strangers from finding it, unless they've been given the necessary joining details. A private server also lets you control who's allowed to enter and – if necessary – to ban someone who shouldn't be there. This is the closest equivalent to parental controls in Minecraft.

ENCOURAGE BREAKS

It's easy for the hours to fly by while your child is playing Minecraft, so reminding them to take regular breaks is essential. This is a useful way for them to learn good time management, which they'll benefit from as they get older. It will also teach them to play their favourite games in moderation – limiting addictive behaviour and allowing them to manage their day better.

TALK ABOUT STRANGERS

At some point in their lives, almost everyone needs to have contact with a stranger online. Talking to your child about online safety, therefore, is essential – as is having a plan in place for dealing with any hostile or difficult strangers. Ensure that your child knows never to tell a stranger about themselves online, and that they should come to you straight away if they do encounter a problem.

Rambert grades

CREATIVE DANCE WITH SOPHIE

Creative Dance for Early Years is an innovative dance syllabus, created by Rambert Grades. Each dance class will take the children on an imaginative journey with endless themes. An energetic warm up is followed by physical skills development as the children learn structured movement material. Creative intuition is encouraged with a closing creative exploration to dive deep into their imagination. Swimming with whales, flying rockets to the moon or adventuring through the desert- every class is different.

Each session will explore movement in a new way and help to develop physical skills, harness musicality and empower confidence in young children

WHERE? The Quinta Primary School.

WHEN? - 31st October 2023 - 5th December, 15:20-16:15 every **TUESDAY**.

WHO? The club is open to Years 1, 2 & 3.

HOW MUCH? The six-week course is £30 per student (£5 per class). This payment will be made in full, upfront, for the duration of the full course. (In the circumstance of an absence, no refunds will be made) **SPACES ARE LIMITED!**

Each child will have the opportunity to work towards taking a Rambert Grades Creative Movers exam, which are a celebration of each student's progress at the end of each grade. Each child is rewarded with a bright fabric badge and a certificate (**The next set of exams will be Jan-Feb 2024, following this next term**). Children who move through the grades are commended on six qualities: Communication, Teamwork, Generosity, Effort, Listening and Enthusiasm.
