INTRODUCTION

The Quinta Primary School recognises the importance of good attendance and the significance of attendance on achievement and attainment.

We aim to achieve good attendance by operating an attendance policy within which pupils, staff, parents, the local community and the Education Welfare Service can work in partnership. The school will monitor attendance and ensure quick and early intervention if a problem is identified.

All staff will encourage good attendance. Good attendance is seen as an achievement in its own right and recognised as such by the school. The attendance policy is based on the premise of equal opportunities for all.

The school has a guide on attendance that is given to all new parents and is available on request and on the school website.

Attendance Co-ordinator: Headteacher: Mr William Sharpe supported by Mrs Fiona Moores

RATIONALE

- Regular attendance at school or alternative provision is a legal requirement and “The Education Act” 1996 makes it a criminal offence for a parent/carer to fail to secure their child’s regular attendance at school.
- Parent/carers/guardians have a legal duty as well as a moral obligation to ensure that children of compulsory school age attend on time, on a regular and full-time basis.
- Good attendance and punctuality is essential if pupils are to take full advantage of school and gain the appropriate skills which will equip them for life.
- Safeguarding each child is everyone’s responsibility and a child may be at risk if they do not attend school regularly.
- Any absence affects the pattern of a child’s schooling and regular absence will seriously affect their learning.

Aims

- To create a culture in which good attendance is ‘normality’
- To demonstrate to pupils, parent(s), carer(s), guardian(s) and staff that the school values good attendance and to recognise that good regular attendance is an achievement in itself
- To be consistent in implementation, both in terms of rewards and sanctions

Objectives

- To involve the children or young people more in their school attendance
- All school staff to continue to take responsibility for children or young people’s attendance and for the school to recognise the importance of this role, especially with identifying first day absence of pupils.
- Effective working relationship with the Education Welfare Service
- To have an effective means of collecting and monitoring information
- To discuss the settings of targets for the school with the EWO and the Governing Body as appropriate
- To ensure that such data collated by SIMS is used effectively by all staff in conjunction with the Head Teacher to address individual children’s needs where they fall below 90%.
- To keep parent(s), carer(s), guardian(s) and governors informed of policy and practice e.g. school website, school newsletter or seesaw. To ensure that the school is aware of government targets which may have been set for some vulnerable groups, such as Looked After Children.

Procedure:

- Children or young people are expected to attend school for the full 190 days of the academic year, unless there is a good reason for absence. There are two types of absence:
 - - Authorised (where the school approves pupil absence)
 - - Unauthorised (where the school will not approve absence)
- It is expected that parent(s)/carer(s), guardian(s) will provide an explanation if the child or young person is absent **on the first day** the absence occurs. This can be by letter, telephone, text, personally at the office or by appointment.
- If contact, explaining the child or young person's absence, fails to be made by parent(s)/carer(s)/guardian(s), then the school will contact the home by telephone on the initial day and on each day thereafter until the unexplained absence is clarified. **This contact will be recorded within Sims - the schools MIS System and online.**
- The head teacher will regularly remind parent(s)/carer(s)/guardian(s) of the importance of good attendance and punctuality.
- Children or young people with **100% attendance or better** will be rewarded by the school with a certificate of attendance every term.
- We also celebrate 100% attendance at the end of the school year.

What can parent(s)/carer(s) do to help?

- If your child is absent from school please contact the school **before 9:30am** (prior to the close of morning registration) on the day of absence so that we know your child is safe. If your child is likely to be absent for any length of time, (e.g. due to illness) please keep us informed, a **medical note may be required if the absence is over a week.**
- Try to make appointments outside school time, appointment letters will be required if in the school day.
- Do not allow your child to have time off school unless it is really necessary

Identification of Pupils Giving Cause for Concern & Referral

- A cause for concern letter will be sent out where a child has
- Mrs F Moores monitors attendance regularly and would raise cause for concern with Head Teacher Mr W Sharpe.
- Identification is made by the class teacher (cause for concern)
- Concerns are passed to the person responsible for contacting parent(s)/carer(s)/guardian(s)
- Mrs F Moores will contact parent(s)/carer(s)/guardian(s) by attendance letters (Appendix 1, as appropriate). The child's attendance will then be monitored to the end of the half term/term.
- If there is no improvement, at this point, attendance letter 2 (Appendix 2) will be sent to parent(s)/carer(s)/guardian(s). Parent(s)/carer(s)/guardian(s) will be invited into school if they wish to discuss any problems/issues their child/children may have with Mr Sharpe.
- If there is no improvement, at this point, attendance letter 3 (Appendix 3) will be sent to parent(s)/carer(s)/guardian(s). This will inform them that the matter will be referred to the Education Welfare Service, if there has been no improvement in attendance (Attendance Letter 2 in Appendix 2). The referral to the Education Welfare Service will consist of the referral form (see Referral Form in Appendix 5), copies of all correspondence to parent(s)/carer(s)/guardian(s) and a print out of the child or young person's attendance certificate from SIMS data base
- If attendance has improved to the end of half term/term, school will still continue to monitor attendance to ensure improvement is maintained.

Completing the Register

- The Governing Body is responsible for registering with the Data Protection Registrar under the Data Protection Act 1998

- Electronic registers can be printed out and kept in the same way as manual registers. **These are legal documents as is the electronic recording of attendance**
- The twice-daily requirement to register pupils formally receives children or young people from home **and is a legal requirement**
- Emphasis is placed on the accurate twice daily completion of registers by the class teachers in the class rooms.
- Incomplete or inaccurate registers are unacceptable. Registers provide the daily record of the attendance of all pupils; they are legal documents **that may be required in a court of law**, for example as evidence in prosecutions for non-attendance at school
- Registers will be marked electronically.
- The register will be marked using the symbols advised by the Department of Education.

Lateness

School begins at 8.55am and all pupils are expected to be in school for registration at this time. **The school gates are open from 8.45am onwards.** Pupils who are consistently late are disrupting not only their own education but also that of others.

Where persistent lateness gives cause for concern further action will be taken. See Identification of Pupils Giving Cause for Concern and Referrals – the same process will apply (See Appendix 4)

Leave of Absence during term time

Under the present legislation parents do not have the right to take their child out of school for a holiday. A request for leave of absence must still be completed by Parent(s)/carer(s)/guardian(s), these can be obtained from school and have to be requested, as they are not readily available. A request for a leave of absence **must** be made by the parent who the pupil normally resides with. A child or young person who is absent longer than 10 days after an agreed return date can legally be removed from the school roll and the parents/carers/guardian(s) may be liable to prosecution.

A child cannot have more than five days (10 Sessions) of unauthorised absence over the course of two consecutive half-terms. Fines may be issued by the Local Authority in these cases.

There may be exceptional circumstances where authorised leave of absence is granted, the Governing body will consider each case individually, taking into account a child or young person's overall attendance and the reason for the absence. The Headteacher has been delegated this responsibility by the governing body.

LEAVE OF ABSENCE REQUEST FORM

This is available from the School Office upon request. It must be completed in advance of the absence and returned to the school.

- It must clearly state on the form why it is necessary that this absence must be taken in term time.
- Lower cost/Holiday is not a reason.
- On receipt of the "Leave of Absence Request Form", you will be sent a response indicating whether the governing body is able to authorise your request or not.

Reasons for not authorising it may include:-

- Unsatisfactory attendance
- Time of year, e.g. if pupils are sitting Public Examinations
- If leave of absence has already been authorised during the current academic year
- It is a holiday request in school term time
- There does not appear to be an exceptional circumstance surrounding the request

Examples of exceptional circumstances are seen to be:

- Holidays requested for children whose parents may be in the Police Force/Farming Industry.
- being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time,
- when a holiday is recommended as part of a parent or child's rehabilitation from a medical or emotional issue (evidence required)
- The wedding/funeral of an immediate family member or the birth of a sibling
- When a family celebrates their cultural heritage and identity and falls during term time.

While decisions are to be made on a case by case basis, requests will ***normally be refused***.

If parents, contrary to what the governors have said, still decide to take their child out of school, then the absence will be coded as “**unauthorised**”. This may lead to the school referring the matter to the Local Authority requesting a Fixed Penalty Notice to be issued.

Penalties for unauthorised absence		
Timeline	One child	Two Children
Paid within 21 days	£60 per parent as per the definition in the education act, section 576	£60 per child = £120 per parent
After 21 days and before 28 days	£120 per parent	£120 per child = £240 per parent
After 28 days	A summons to appear before the Magistrates' Court on the grounds you have failed to secure your child's regular attendance	A summons to appear before the Magistrates' Court on the grounds you have failed to secure your child's regular attendance

Fixed Penalty Notices have been introduced as part of the Government's drive to improve attendance.

These measures are severe but we believe that regular and high attendance is in every pupil's best interests and helps to maximise their achievements and enjoyment of school.

This Policy reflects accurately the current legislation and as a school, we have a duty to point this out to parents/carers/guardians.

Further details and background information can be found at the Cheshire East Council website – http://www.cheshireeast.gov.uk/education_and_learning/schools/parents.aspx.

LEAVING SCHOOL DURING SCHOOL HOURS

A child will only be permitted to leave school during school hours if permission has been sought and a parent, carer, guardian or designated person collects the child in person. You

will be asked to sign your child in/out of school accordingly for safeguarding and health and safety reasons.

- **The school aims to have ALL children or young people attending regularly and punctually and parent(s)/carer(s)/guardian(s) need to know that should their child fail to attend in this way then the matter will be referred to the Education Welfare Service.**
- **Parent(s)/carer(s)/guardian(s) need to be aware that Cheshire East Schools work in co-operation with the Education Welfare Service.**
- **Parent(s)/carer(s)/guardian(s) need to be aware that Cheshire East Council in conjunction with Schools are operating Fixed Penalty Notices for non-attendance.**

In developing this Attendance Policy we have taken into account the fact that Cheshire East is an ethnically diverse community. The school has incorporated practice, which guards against disadvantaging any sections of the community. Improving the performance of underachieving pupils is a key priority. This aims to improve the attainment of minority pupils across Cheshire East. Schools are aware and take into account the need for all public authorities to re-examine and make changes to their practice in promoting genuine multi-racial partnership.

The school understands the need for on-going communication with parent(s)/carer(s)/guardian(s) and pupils regarding this policy, particularly those new to the school.

MONITORING OF ATTENDANCE

Local Authority Monitoring of Attendance

There are a range of processes to support Local Authority monitoring of attendance:

- All schools have a statutory obligation to provide information about attendance to the LA and the DfE via the school census returns. This enables national comparisons.
- The development of Electronic Registration means that the Local Authority should be able to access attendance data centrally, and could therefore monitor trends.
- The Education Welfare Service monitors attendance on behalf of the Local Authority through regular meetings with school staff and regular register checks. This focuses particularly on children or young people with long-term absences, regular patterns of absence, the school's monitoring of student attendance at alternative provision such as college placements, return of children or young people after fixed term exclusions, admissions of children or young people for whom a place at the school has been agreed, children or young people cared for by the Local Authority.
- Monitoring of agreed School/Education Welfare Service School Action Plans to ensure priority concerns are effectively addressed. The Education Welfare Officer and school must regularly review the Action Plans jointly.
- Monitoring the use and success of legal action to enforce attendance.
- The Admissions Team has a protocol for referral to the Education Welfare Service of children or young people who, for whatever reason, are without a school place.

School Monitoring of Attendance

Every school must have a designated person responsible for attendance, and establish a routine that ensures that regular monitoring and review take place.

General

Frequency	Action
Daily	Class teacher has initial responsibility for dealing with concerns.
Weekly	Action to be taken by the school with regard to children or young people whose absence is causing concern. Discussions with the Education Welfare Officer, who may be asked to intervene in cases where the school has not been able to ascertain reasons for absence, or where other concerns exist.

Specific

The Quinta Primary allocate overall responsibility for specific tasks to the Headteacher (the deputy in his absence) who works alongside the school's administration officer for attendance.

Group	Issues
Year Group	<ul style="list-style-type: none">• Compare figures with those for other cohorts within the school• Consider attendance pattern over the year.
Class Group	<ul style="list-style-type: none">• Compare group with others in the same year group• Consider if registration guidelines are being correctly applied• Consider the class teacher effect
Individuals	<ul style="list-style-type: none">• Look for broken weeks – five separate one-day absences are more significant than a week's absence• Look for same day absence each week• Check reasons for absence• Check absence notes• Closely monitor vulnerable/"at risk" children or young people• Reward good/improved attendance• Report to Education Welfare Officer long-term absentees/those for whom no reason for absence has been received.

School Monitoring of Lateness

The major principles of any late monitoring system are:

- it should ensure everyone in school is recorded in case of fire
- it should not allow children or young people to come into school undetected especially if some form of same day contact is being made with absentees.

The School's signing in system:

- enables the school office to keep a record and monitor punctuality
- makes it difficult for a student to enter a classroom late without staff acknowledgement
- ensures all teachers are consistently and correctly coding registers.

Every Minute Counts

Lateness = Lost Learning

(Figures below are calculated over a school year)	
5 minutes late each day	3 days lost!
10 minutes late each day	6.5 days lost!
15 minutes late each day	10 days lost!
20 minutes late each day	13 days lost!
30 minutes late each day	19 days lost!

Dear Parent,

Further to my recent letter, continued monitoring shows that there has not been sufficient improvement in your child/children's attendance.

Unfortunately due to this, I will have to refer the matter to the Education Welfare Officer Cheryl Madden.

As I have previously explained, the aim is for all children to have at least 95% attendance.

It is important that your child attends school regularly in order to make good progress and to benefit from the opportunities that school offers.

Appendix 6 - Changes relating to COVID -19

Attendance During the Coronavirus (COVID-19) Pandemic

All pupils are required to attend school. As such, the arrangements set out in the main body of this policy (above) will be adhered to. This appendix has been developed in line with the latest government guidance to set out the additional measures that have been put in place to support pupils' attendance at school.

The school will have due regard for the DfE's 'Recording attendance during the coronavirus (COVID-19) outbreak' guidance when recording attendance during the pandemic.

Attendance expectations

Attendance is mandatory for all pupils. This means the usual rules on school attendance (as set out in the main body of this policy) apply, including:

Parents' duty to ensure that their child attends school regularly.

The school's responsibility to record attendance and follow up absence, in line with the procedures in the main body of this policy.

The availability to issue sanctions, including fixed penalty notices in line with the LA's code of conduct.

The school will ensure pupils do not attend the school site where they are displaying symptoms of, or have tested positive for, coronavirus, or are quarantining following travel abroad, or are in a household, childcare or support bubble with an individual who is displaying symptoms of, or has tested positive for, coronavirus.

Shielding or self-isolating pupils

The school will stay up-to-date with all relevant national and local public health advice regarding shielding and self-isolation, communicating any relevant changes to all stakeholders.

Absences relating to pupils following clinical and/or public health advice will not be penalised. Where a pupil is unable to attend school because they are complying with clinical and/or public health advice, they will be immediately offered access to remote learning, in line with the Pupil Remote Learning Policy.

Absences due to shielding or self-isolation will be recorded with Code X. The school will request a copy of a shielding pupil's medical letter to confirm their status where necessary.

The school will follow the measures set out in the Infection Control Policy in all circumstances where self-isolation is required.

Where a vulnerable pupil is required to self-isolate, the school will notify their social worker (if they have one), ensure a method of maintaining contact with the pupil, and ensure the pupil has access to remote education.

Reluctance to return to school

The school will remind parents of their legal duty to ensure their child attends school, and parents will be advised to contact the school if they have concerns about their child returning to school.

If a parent raises a concern, a relevant staff member will hold a discussion with the parent to discuss their concerns and provide reassurance on the measures that are in place to reduce risk in the school.

Monitoring attendance

The attendance officer will monitor the school's attendance rates once the school is open to all pupils in September. Any trends in non-attendance will be identified (e.g. due to anxiety) and measures will be put in place to reengage affected pupils with the school.

The school will place particular emphasis on supporting the attendance and re-engagement of vulnerable pupils, pupils at risk of PA, and pupils who have not engaged regularly with school during the coronavirus pandemic.

An agreed member of the SLT will complete the 'Educational setting status form' on a daily basis, based on the information on the attendance register.

The school will use the DfE's list of sub-codes in the management information system (Arbor) to record non-attendance related to coronavirus. These are:

Code X01: Non-compulsory school age pupil not required to be in school

Code X02: Pupil self-isolating with coronavirus symptoms

Code X03: Pupil self-isolating due to potential contact with a confirmed case of coronavirus inside the school setting

Code X04: Pupil self-isolating due to potential contact with a confirmed case of coronavirus outside the school setting

Code X05: Pupil required to self-isolate as part of quarantine requirement (after arriving in the UK from a non-exempt country or territory)

Code X06: Pupil not in school because they have been advised specifically by their doctor or public health authority that they are clinically extremely vulnerable and should not attend school

Code X07: Pupil advised specifically not to attend school as part of restrictions to education set out in government guidance

Code I01: Non-coronavirus related illness

Code I02: Illness (confirmed case of coronavirus)
