

Good evening,

A core group of parents have worked tirelessly to put on one of The Quinta's most special events: our Merry Market. Without their voluntary efforts and expertise there would be absolutely no way we could put on such a wonderful event for our community. The best thank you and show of appreciation we can give is to show up and bring the family to enjoy what will be a magical evening.

We will start promptly tonight from 3:30pm. We will be finishing by 6:30pm to allow for people to get to the Christmas lights switch on or home in time for the football - whatever your preference.

We are so grateful to Friends of Quinta for their time and effort. Events like this take hours of work and organisation and are such a big part of our school community. A big thank you to the staff and children who have worked hard to create their own class stalls too. We are looking forward to seeing you all tonight after school to officially start the Christmas season. Hopefully, we can follow another successful Merry Market with an England win too!

Will Sharpe

Since lockdown, the rates of domestic abuse increased and statistically domestic violence increases when the England football team lose.

Some common behaviours that are common with domestic abuse are as follows:

- Name calling that make an individual feel bad about themselves
- Experiencing threatening behaviours
- Violent behaviour
- An individual may be prevented from seeing their friends or family
- An individual may be prevented from having access to money
- An individual may feel that they could be seriously harmed

It is important to remember that the individual is not to blame and they are already a survivor. If anyone feels that they are experiencing domestic abuse or suspect someone they know is a survivor of domestic abuse there is help available. Below are links to websites for further advice and support.
